Dear All-Ohio 99s,
Thank you for accepting this donation for the Checkride Scholarship in Memory of Mrs. Betty Goodman, who was a member of the now disbanded Cincinnati chapter.
Mrs. Betty Goodman was a wonderfully kind, amazing human who happened to be my 5TH grade teacher. She frequently shared her love of flying with us and I remember her wearing a silver necklace with a plane pendant daily. She brought in a black-&-white hand-held television that we all huddled around silently to watch the Challenger launch & then, sadly, crash. She was an inspiration to us all & taught us not only chase our dreams but to work toward them as well.
Respectfully,
Liz Hiles

Kathy Samuelson received this letter with a donation from Liz Hiles. She included a donation to our checkride scholarship in memory of the late Mrs. Betty Goodman, a member of the Cincinnati Chapter, who was her fifth grade teacher. That's amazing how Liz remembered her teacher!
