See you in September-at the 99s NCSM!

INTERNATIONAL ORGANIZATION OF WOMEN PILOTS
ALL-OHIO 99 NEWS

Top L: June Oikawa passed her private pilot checkride on 25 August. Congrats, Jun! R: Mary Biller and Jann Bowne of the Scioto Valley Chapter (SVC) joined us for our August meeting, and caught up on Kay Johnson's latest news. Lower L: Vicki Harris shared with Paula Rumbaugh of SVC that she camped out and had a great time at EAA AirVenture. Middle: Chris Creamer has been canning lots of veggies and Linda Blodgett remembered the taste of her own garden goodies. R: Jun flew into Union County and found the compass rose that was painted by the SVC back in 2007. Photos of Jun courtesy of Jun Oikawa.

MEETING SATURDAY 16 Sept will be at the Port Bucyrus Crawford County Airport Day celebration. Our mtg will be at 12:30 in our hostess Peg Ballou's hangar. Please see the flyer in this newsletter for details of the activities. The address is 2254 Issac Beal Road, Bucyrus. Peg: 419.563.6899

Blue skies and tailwinds to our newest members:

Hi, All-Ohio 99s. We will be having a **SATURDAY** meeting for September, and it will be on **September 16th**. This will fit in with the Bucyrus (17G Port Bucyrus/Crawford County) Airport Day. Our member, Peg Ballou, has her flight school and hangar there. The meeting will be at **12:30pm**. Right after the meeting, plan to stay for Peg's portrayal of Lauretta Schimmolar (come out to the meeting to see who Lauretta was). Peg does a great portrayal of her! Feel free to come early before the meeting too. for more Airport Day activities.

Her is some early information from Peg.

Peg says:

"The Bucyrus airport day is September 16 8 AM through probably 3 o'clock. At the Ballou Skies hanger there will be three presentations - one at 9 AM on the impossible turn, one at 11 a.m. on dealing with emergencies, and Lauretta Schimmoler will tell her stories at 1 PM. The All Ohio 99s to attend and have their meeting. There are food trucks available for midday meals and a pancake breakfast in the Hord Hangar across from the Ballou Skies hanger."

I will be sending out the normal 10-day notice later.

See you on SATURDAY, SEPTEMBER 16TH.

Our deepest sympathy to Peg and Sam Ballou in the loss of his mother in August. They flew to Vermont for the funeral and experienced difficult flying conditions of hard rain with up and down drafts. Peg reports that the auto pilot kicked off when they were lifted up 200 feet. They think it got confused by switching between NAV mode and heading mode too often.

Peg reported that her student Ben passed the oral exam on August 7th but the flight portion was delayed due to the weather. She has several more students waiting for checkrides.

Top row L: On her trip, Peg noticed a 99s café. middle: Jun's 49 1/2 Rich Wagner was kept on his toes by their two active boys, Jesse and Lucas. R: Kathy Samuelson took time out from her Treasurer's Report and photography to chat about the birds she had seen. Lower L: Debra Henrichs had great stories about her Excellent Alaskan Adventure. Greatly amused were Jun Oikawa and Lisa Blair. Middle: Peg Ballou wondered where her chow was as Vicki Harris was enjoying hers. Good things come to those who wait Peg! Did you ever see such large hamburgers? R: Jun Oikawa took a nice photo of the Union County Airport and the compass rose painted by the Scioto Valley Chapter in 2007.

Minutes of the August 13, 2023 meeting of the All-Ohio Chapter of the 99s

The meeting at the Buckeye Express Café ("the train") in Bellville was called to order by our Chairwoman Debra Henrichs. There were ten members in attendance: Peg Ballou, Lisa Blair, Linda Blodgett, Chris Creamer, Vickie Harris, Margaret, Debra Henrichs, Kay Johnson, Jun Oikawa, and Kathy Samuelson. Jun brought her sons, Jesse and Lucas, and her 49 1/2 Rich Wagner. There were three guests from the Scioto Valley Chapter: Mary Biller, Jann Bowne, and Paula Rumbaugh.

MEETING MINUTES

The July minutes as printed in the August newsletter were approved with a motion by Peg Ballou, which was seconded by Lisa Blair. Motion passed by voice vote.

TREASURER'S REPORT

MEMBER NEWS AND MENTEE NEWS

Membership Chairwoman Margaret reported our chapter has 65 members with one on hold and five on stand-by. Margaret reminded the member on hold and Kathy will remind one of the stand-by members about this. Debra Henrichs reported that in the past year (July 22 to June 2023) we have acquired thirteen new members and eleven departed the chapter, three of whom moved away. Kathy Samuelson contacted the new members via e-mail, including the Detwiler sisters, Adrienne is a pilot and Jocellen is a student pilot (How cool is that!) and Kathy volunteered to mentor them. She also received an e-mail from Edna Hansen, "Thanks for sending the newsletter. I really enjoy reading everything. Some members are quite busy. Wish I were still active. At least, I am healthy and walking around the big block where I live twice every day. Thinking of you and the others." Edna

Kathy learned that Cat Barnes volunteered at the 99s tent at AirVenture. A member noted that Libby Vale and Rachael Earl also volunteered. Debra asked members to report their news. Jun Oikawa is going for her check ride on August 25th, so we wished her good weather. She stated she was working on short field landings so members told her about their experiences. Vicki Harris was at Oshkosh and they camped under the wing

of their plane. She found the Oshkosh experience “amazing” and went to the sea plane base, which is not a sea plane base except during AirVenture. She saw the NASA Super Guppy and the Dreamlifter. The C5 was open at both ends. Vicki has a new CFI who is about to schedule her check ride. Yah! She is also working on her Advanced Ground School Instructor rating. Kay Johnson revealed that Ali Peterkort is flying aerial photography today. She is CJO, junior officer, on Sky West. Nicole Apple had to stay near her airport for work and this meeting was too far away. Wendy Stiver is her spouse’s CFI. Erin Walling is finishing her solo time today. She passed her written last weekend. Congrats! Deb’s mentee Emily Garber had a birthday party today and has decided to change goals from getting her A&P. Libby Vale is studying for her IFR written exam today in preparation for Monday’s test. Lisa Blair is building time working on her IFR rating so she can fly CAP aircraft. Peg Ballou and Sam are flying in N8262H to Kansas for a NAGBA (game bird assoc) conference. They just got back from AirVenture, where they flew to Fond du Lac, then Oshkosh, where it was hot and dry. She reported that Jim Gorman bought a Pheasant and donated it to the museum there. Peg and Sam looked for that aircraft at Oshkosh but didn’t find it but she did find an article about it on the EAA website: <http://www.eaa.org/eaamuseum/museum-collection/aircraft-collection-folder/1929-pheasant-h-10-nc151n> Deb Henrichs told us all about Deb’s Excellent Adventure in Alaska with Leota Lane and her friend Pang, a retired military veteran and all around generous person who showed Deb around.

MEETINGS

September 16 (SATURDAY!) will be hosted by Peg Ballou for Bucyrus Airport Day. Peg said that Lisa Blair’s 49 1/2 Troy will have a ham (amateur) radio booth at the event. They will also register Young Eagles for a later flight date. At 0900 there will be a FAASTeam program on “The Impossible Turn,” the turn back to the airport in an emergency. At 1100 there will be a program on emergencies. At 1300 Peg will do her historical re-enactment of Lauretta Schimmoler, the first woman to manage an airport and an aviation pioneer. On October 8th Kay Johnson will host and supply lunch at the new terminal at Newark-Heath Airport. Our own Nicole Apple will talk about her fascinating job that takes her around the world. It is the 100th anniversary of the Dayton USAF Museum and Jun suggested we visit. The November 12 meeting will be hosted by Peg Figley at Ashland County Airport. December 10th will be hosted by Debra Henrichs at her home in Columbus near TZR and there will be an aviation White Elephant Exchange. Ali Peterkort volunteered to host the January 14th meeting at Dayton-Wright Brothers Airport.

OLD BUSINESS- MEMBER BIOGRAPHIES

Lisa Blair reported that she and Peg Ballou need photos of the members they interview. Lisa will check to see if SignUpGenius app will work for the website. There are videos on YouTube. They will send out a list of questions in advance when doing biographies. They need member photos to integrate into the program. You can see our biographies without subscribing or paying, but no notifications.

OUR CHAPTER’S NORTH CENTRAL SECTION MEETING IN 2026

Debra Henrichs noted that we should think about sites for our section meeting. Members volunteered to investigate various places. Margaret will check on Cleveland. Peg, Roberta, and Lisa will investigate Port Clinton and its environs. We should expect about forty guests for the section meeting, according to Deb.

FALL 2023 SECTION MEETING HOSTED BY SC IOTO VALLEY CHAPTER

Paula Rumbaugh noted that early registration ends September 7th. Friday Sept. 29th there is a tour of the Champaign Air Museum in Urbana. The business meeting on Sept. 30th is free. Jenny Hurst, president of the Deaf Pilot’s Association, will be the luncheon speaker (cost \$31). In place of the tour of the old Columbus control tower (closed due to construction) there will be a presentation about notable Ohio women pilots. Christine Mortine (DPE, CFI-I, ME) will be the keynote speaker at the dinner (cost \$47). Deb Henrichs offered a room to members who need a place to stay, instead of the hotel. The hotel has queen beds in the rooms.

ANNOUNCEMENTS

Lisa Blair noted that July 24th is National Amelia Earhart Day and August 19th is National Aviation Day.

INTERNATIONAL CONVENTION IN JORDAN OCT 27-NOV2

Debra Henrichs noted that she and Randy will attend. There will be an opportunity to participate online in the business meeting.

There was a motion to adjourn by Jun Oikawa, seconded by Vicki Harris, and the meeting was adjourned by our Chairwoman Debra Henrichs.

Respectfully submitted, Margaret, Secretary

Here's a close-up of the signature on the Scioto Valley Chapter's compass rose on the tarmac at the Union County Airport. They completed this compass rose in 2007. Photo by Jun.

The county engineers mark the cardinal points (N,S,E,W) on the pavement near the taxiway and then the chapter members use a mathematical formula to mark the lesser point. Finally, it is painted in our trademark blue and white with special highway paint.

A compass rose is used to set a magnetic compass by taxiing there and lining up with the major compass points.
