On Sat. Oct. 18 Peg will host an All-Ohio 99s workday at her home in Bucyrus to cut out material and the handles for the bags for the spring section mtg. We will do 40 of them and the first 40 to register for the section mtg will receive a bag, so it’s an incentive to register early. This is not a mandatory meeting, just for those who want to help make the bags. There will be various stations for the different parts of the bags.
