Safe Travels and Blue Skies!

Thanks a lot to Jun for the above pictures taken at the Wisconsin North Central Section Meeting in October! Left: At the banquet where Jun received her AE Scholarship Medal there were several chapter members in attendance. L-R: Valerie, Brooklyn, Jun, Debra, Janis (the guest speaker), and Sarah. Middle: Jun wrote that it was her thinking she should qualify for the pedal plane. Lol! R: "This is when Jesse got to do his first EAA Young Eagles Flight! The kids were not allowed to participate in the control tower tour that was part of the program, so we visited the museum instead and they happened to be doing the flights!"
